

THE TENNIS COACH'S TOOLKIT

THE TENNIS COACH'S TOOLKIT COPYRIGHT

Dear valued customer,

This Toolkit should be of enormous value to you.

We have uncompromisingly written into the Tennis Coach's Toolkit every grain of insight we have ever learned or developed in our tennis coaching and mentoring lives, to date.

Please respect the work that has gone into this resource and we would ask that you **do not copy or reproduce it, or pass it on** to our potential new customers.

If this, our life's work, is of great help, then please encourage others to invest in their own professional development, as you have done.

Thank you.
