Feel Safe Working in the Minefield of the Mind™

**Denise Holland, National
Coach Scottish Netball**

'Its heavy but I wouldn't travel without it, every day in coaching there is a circumstance that requires an intervention, even if it is, to do nothing, the toolkit provides me with the security of knowing there is a well thought out, detailed response that may be applicable.'

Judy Murray

"I love this Toolkit. Its jam-packed with great ideas, information and anecdotes... Keith and Paul really understand how to get the most out of coaches and players. They are two of the best coaches I've ever worked with. The Toolkit is the Tennis Coach's Bible."
